Gun Lake casino would create jobs

I'm writing you this letter about the casino in Wayland for the Gun Lake Tribe. I think the Gun Lake tribal casino would be very beneficial to Michigan because it would create more than 1,800 new jobs with great benefits, plus create 3,100 new indirect jobs in the local community. And we all know Michigan needs jobs right now. So please allow the Gun Lake Tribe the opportunity to promote tribal economic development, self-sufficiency, and strong government. The casino would help establish education and cultural programs.
