LETTER: Recent MichGo letter invades privacy

, , 20

Something creepy happened recently after my letter of support for the Gun Lake Casino was printed in the paper. I received an unwanted package from the vice president of MichGo, Jim Stringham. In his packet of propaganda Mr. Stringham attempted to save me from a life of casino gambling in Allegan County. It is very disturbing and not at all appreciated.

As I and many other supporters feel, everyone is entitled to their own beliefs. No matter how far apart our views on the casino we should always respect each person's right to his or her own beliefs.

Jim Stringham crossed the line by sending unsolicited mail to my home and I would like him to refrain from doing so again. We don't call him up for a game of cards or bingo. So MichGo, don't try to push your views on those of us who support fairness for the Tribe and economic development in our community!

Too bad Stringham couldn't focus on something useful, like lowering this area's awful unemployment rate.

Leone Smith,
Hopkins Mich.
