CHANGES ARE HERE!!!

Changes made to Housing Department's program eligibility. *Are you eligible?*

College Housing

Are you going to college? Would you like monthly assistance with your rent payment? The College Housing Program has expanded its service area to include all students attending a college or trade school anywhere within the continental United States.

Rental Assistance, Home Improvement & Down Payment Assistance

Need help with monthly rent payments? Own a home and would like health and safety needed repairs? Looking to buy a home? These three (3) programs are now available to any family with Tribal minor children living within the household.

For additional eligibility requirements and program information, visit us online at www.mbpi.org/Housing.
